

Parasson's

Italian Restaurant

My family has been in the restaurant business for over 80 years. In the 1940's, my Grandpa Parasson owned a restaurant in downtown Akron. In 1960, my dad, the late Tony Parasson (pictured), started Tonyo's Pizza in Barberton. He expanded to our current location in 1975 and changed the name to Parasson's Italian Restaurant.

Dad believed in offering a simple menu that allowed his staff to focus on the consistent execution of signature dishes unique to Parasson's. Our special recipe sauces are made from vine-ripened California tomatoes that are fresh-packed within hours of being harvested. Our mozzarella, provolone and ricotta are made from fresh, all-natural ingredients free of additives, fillers and preservatives. Our Pecorino Romano is imported from Italy. Our hearth-baked bread is delivered fresh. Our produce is cut fresh in-house. Our beef, pork and chicken are fresh and all-natural. Our Italian sausage is my Grandpa Terranova's secret family recipe. Our garlic butter, salad dressings, pizza sauce, meatballs, sausage, breaded chicken, lasagna and cannoli cream are prepared fresh in our kitchen each day from proprietary recipes perfected over time.

We are proud to be a local, family owned business that offers good paying jobs and donates thousands back to the community each year. If you're happy with your visit, please tell others. If you're not happy with your visit, please tell us. We genuinely care, and I promise you we will do what is necessary to make things right. Please speak with the manager or contact me at parassons.com. Thank you for your support, and please visit us again soon!
